

Sheet No.

Box No. VIII (iv) DECLARATION: INVENTORSHIP (only for the purposes of the designation of the United States of America)

The declaration must conform to the following standardized wording provided for in Section 214; see Notes to Boxes Nos. VIII, VIII (i) to (v) (in general) and the specific Notes to Box No. VIII (iv). If this Box is not used, this sheet should not be included in the request.

**Declaration of inventorship (Rules 4.17(iv) and 51bis.1(a)(iv))
for the purposes of the designation of the United States of America:**

I hereby declare that I believe I am the original, first and sole (if only one inventor is listed below) or joint (if more than one inventor is listed below) inventor of the subject matter which is claimed and for which a patent is sought.

This declaration is directed to the international application of which it forms a part (if filing declaration with application).

This declaration is directed to international application No. PCT/BR2004/000224 (if furnishing declaration pursuant to Rule 26ter).

I hereby declare that my residence, mailing address, and citizenship are as stated next to my name.

I hereby state that I have reviewed and understand the contents of the above-identified international application, including the claims of said application. I have identified in the request of said application, in compliance with PCT Rule 4.10, any claim to foreign priority, and I have identified below, under the heading "Prior Applications," by application number, country or Member of the World Trade Organization, day, month and year of filing, any application for a patent or inventor's certificate filed in a country other than the United States of America, including any PCT international application designating at least one country other than the United States of America, having a filing date before that of the application on which foreign priority is claimed.

Prior Applications:

I hereby acknowledge the duty to disclose information that is known by me to be material to patentability as defined by 37 C.F.R. § 1.56, including for continuation-in-part applications, material information which became available between the filing date of the prior application and the PCT international filing date of the continuation-in-part application.

I hereby declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code and that such willful false statements may jeopardize the validity of the application or any patent issued thereon.

(of signature which is not contained in the request, or of the declaration that is corrected or added under Rule 26ter after the filing of the international application)

This declaration is continued on the following sheet, "Continuation of Box No. VIII (iv)".

Box No. VIII (iv): DECLARATION: I/WE HEREBY (check for the purpose of the designation of the United States of America)
Do hereby declare, depose and affirm, under the pains and penalties provided for in Section 373, now Section 15 of the PCT, that the invention and the priority claimed in the International Application No. PCT/BR 2004/000224, if filed, is not, to the best of my knowledge and belief, the same as or substantially the same as any invention or design which has been made public in any manner in any country, including the United States of America, prior to the filing date of the International Application, or which has been made public in the United States of America on or after the filing date of the International Application, but which has not been made public in any other country.

Declaration of Inventorship (Rules 1.17(iv) and 5.16(a), Rule 13)
for the purposes of the designation of the United States of America:

I, hereby declare, that I believe I am the original, true and sole inventor of the invention claimed below, or joint inventor, in the subject matter of the subject matter which is claimed and for which a patent is sought.

This declaration is directed to the International application of which it forms a part, if filed, designated under Rule 13.

This declaration is directed to the International application No. PCT/BR 2004/000224, if filed, designated under Rule 13.

I, hereby declare, and my residence, mailing address, and place of birth are as follows:

I, hereby declare, I have reviewed and understood the contents of the above-identified International application, including its claims, of said application. I have identified in the request for application, in compliance with PCT Rule 4.10, my claim of foreign priority and I have identified below under "Priority Application," by application number, country or Member of the World Intellectual Property Organization, respectively, of filing, any application for a patent or similar right which is filed in a country which is not the United States of America, including any PCT international application filed in a country which is not the United States of America, having a filing date, later than that of the application in which the priority is claimed.

Priority Application:

I, hereby acknowledge the duty to disclose information that is known by me to be material or potentially so, listed by 37 CFR § 1.56, including its continuation in part application, material information which becomes available between the filing date of the above application and the PCT international filing date of the continuation or part application.

I, hereby declare, that all statements made before my own knowledge are true and that all documents used, or referred to and relied on, are true, and further that the documents were used, with the knowledge that, without leave of court, and in the event of a proceeding, or both, under Section 1001 of Title 15 of the United States Code, and in any medical or other proceeding, may suspend the validity of the application or any patent issued thereon.
